The complete Management Agreement is available for viewing on SEDAR at www.sedar.com. The following provides a description of the material parts of the Management Agreement:

- Under the Management Agreement the Manager is responsible for making all decisions relating to the investment, disposition and re-investment of monies and securities forming part of the investment portfolio from time to time in accordance with the Corporation's investment objectives, guidelines, strategy and restrictions (the "Investment Policy") as established and amended from time to time by the Board.
- In doing so, the Manager must act honestly and in good faith and with a view to making its investment decisions in a manner believed by the Manager to be in the best interest of the Corporation and must exercise that degree of care, diligence and skill that a reasonable prudent investment manager would exercise in similar circumstances.
- The Manager will participate in the marketing of information about the Corporation, its shares and other securities, will assist the Corporation in complying with applicable laws and regulations and in addition, will supply, at its expense, office accommodation, office staff, statistical and research services, accounting services to administer the Corporation's accounts, maintenance of books and records and certain other services.
- The Manager will provide, according to a timetable specified by the Board, reports concerning portfolio holdings and cash setting out the current portfolio of investments of the Corporation and of all transactions since its previous report as well as any ad hoc reporting.
- The Manager is responsible for assisting the Board with the preparation of such Financial Statements or other reports required by applicable laws and regulations, and to assist the Corporation in furnishing the same to shareholders and other concerned parties including the responsibility for calculating and publishing the net asset value of the Corporation.
- The Management Agreement continues until terminated by either party with not less than 180 days prior written notice and provides, in the case of such a termination by the Corporation, that termination must be approved by a two-thirds shareholder vote cast at a meeting of shareholders of the Corporation. In the event that the Management Agreement is terminated by the Corporation for reasons other than an unrectified breach or default, the Manager is entitled to a termination payment in an amount equal to three-quarters of the fees paid or payable to the Manager during the most recently completed twelve-month period. The Corporation may also terminate the Management Agreement if the Manager is in material breach or default of its responsibilities and such default is not rectified within 30 days of notice, and, in this event, the Manager will not be entitled to the termination payment as set out above.
- For its services, the Manager is entitled to receive a fee of 1.0% per annum of the Corporation's investments at market value adjusted for cash balances, portfolio accounts receivable and portfolio accounts payable (calculated without regard to any securities owned by the Corporation in any company or other entity whose investment portfolio is managed by the Manager) calculated at the close of business at the last business day of the month and payable on the 15th of the following month.

The amounts paid or payable by the Corporation to the Manager for its services under the Management Agreement aggregated \$9,015,548 (plus HST) during the fiscal year of the Corporation ended December 31, 2019. The Manager's office is located at 10 Toronto Street, Toronto, Ontario, M5C 2B7.

DIRECTORS' AND OFFICERS' INSURANCE

During the year ended December 31, 2019, the Corporation purchased insurance for its Directors and Officers with respect to certain liabilities which may be incurred by them in their capacity as Directors or Officers of the Corporation. A primary policy provides insurance coverage for claims made during the policy period to a maximum of \$5,000,000 in respect of each loss and a maximum of \$5,000,000 in the aggregate in respect of each policy year. The policy further provides for a deductible amount of \$50,000 per loss in the case of claims for which the Corporation grants indemnity to individual Directors and Officers. In addition, the Corporation purchased excess Directors and Officers insurance for a policy amount of \$5,000,000. There is no deductible amount applicable to this excess policy. The premium paid by the Corporation for the period of the policies from August 26, 2019 to August 26, 2020 was \$26,250 (plus PST) in the aggregate, none of which was paid by individual Directors or Officers. Neither insurance policy makes any distinction between insurance coverage for Directors and insurance coverage for Officers and there is no basis for estimating the amount of the premiums paid in respect of Directors or Officers as separate groups.
